

STATE OF CALIFORNIA—STATE WATER RIGHTS BOARD

License for Diversion and Use of Water

APPLICATION 16614

PERMIT 10579

LICENSE 5705

THIS IS TO CERTIFY, That

L. S. Bambauer and Winifred W. Bambauer
Box 2000
Porterville, California

notice of assgmt.

have made proof as of June 16, 1958

(the date of inspection) to the satisfaction of the State Water Rights Board of a right to the use of the water of

(1) Witcher Cabin Creek and (2) Cain Creek in Mono County

tributary to Rock Creek thence Owens River

for the purpose of power use

under Permit 10579 of the State Water Rights Board and that said right to the use of said water has been perfected in accordance with the laws of California, the Rules and Regulations of the State Water Rights Board and the terms of the said permit; that the priority of the right herein confirmed dates from September 20, 1955 and that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited to the amount actually beneficially used for said purposes and shall not exceed fifty-five thousandths

(0.055) cubic foot per second from either or both sources to be diverted from about April 1 to about November 1 of each year.

Evaporation, seepage and other losses necessary to the operation of the project for power purposes may be claimed under this license to the extent they are not claimed under Application 42, License 211 and Application 13934, License 4597 for irrigation purposes.

The points of diversion of such water are located :

- (1) North fifty-one degrees forty-six minutes west (N51°46'W) eleven thousand and nine (11,009) feet from SE corner of projected Section 14, T5S, R30E, MDB&M, being within NE $\frac{1}{4}$ of SW $\frac{1}{4}$ of projected Section 10, T5S, R30E, MDB&M.
- (2) Point of diversion and redirection, north forty-four degrees thirty minutes west (N44°30'W) nine thousand four hundred (9,400) feet from SE corner of projected Section 14, T5S, R30E, MDB&M, being within NE $\frac{1}{4}$ of SE $\frac{1}{4}$ of projected Section 10, T5S, R30E, MDB&M.

A description of the lands or the place where such water is put to beneficial use is as follows:

Within SW $\frac{1}{4}$ of NE $\frac{1}{4}$ of projected Section 14, T5S, R30E, MDB&M.

After being used for power purposes water is released within SW $\frac{1}{4}$ of NE $\frac{1}{4}$ of said projected Section 14 for irrigation use under Licenses 211 and 4597.

This license is conditioned upon full compliance with Section 5937 of the Fish and Game Code.

All rights and privileges under this license including method of diversion, method of use and quantity of water diverted are subject to the continuing authority of the State Water Rights Board in accordance with law and in the interest of the public welfare to prevent waste, unreasonable use, unreasonable method of use or unreasonable method of diversion of said water.

Reports shall be filed promptly by licensee on appropriate forms which will be provided for the purpose from time to time by the State Water Rights Board.

The right hereby confirmed to the diversion and use of water is restricted to the point or points of diversion herein specified and to the lands or place of use herein described.

This license is granted and licensee accepts all rights herein confirmed subject to the following provisions of the Water Code:

Section 1625. Each license shall be in such form and contain such terms as may be prescribed by the board.

Section 1626. All licenses shall be under the terms and conditions of this division (of the Water Code).

Section 1627. A license shall be effective for such time as the water actually appropriated under it is used for a useful and beneficial purpose in conformity with this division (of the Water Code) but no longer.

Section 1628. Every license shall include the enumeration of conditions therein which in substance shall include all of the provisions of this article and the statement that any appropriator of water to whom a license is issued takes the license subject to the conditions therein expressed.

Section 1629. Every licensee, if he accepts a license does so under the conditions precedent that no value whatsoever in excess of the actual amount paid to the State therefor shall at any time be assigned to or claimed for any license granted or issued under the provisions of this division (of the Water Code), or for any rights granted or acquired under the provisions of this division (of the Water Code), in respect to the regulation by any competent public authority of the services or the price of the services to be rendered by any licensee or by the holder of any rights granted or acquired under the provisions of this division (of the Water Code) or in respect to any valuation for purposes of sale to or purchase, whether through condemnation proceedings or otherwise, by the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State, of the rights and property of any licensee, or the possessor of any rights granted, issued, or acquired under the provisions of this division (of the Water Code).

Section 1630. At any time after the expiration of twenty years after the granting of a license, the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State shall have the right to purchase the works and property occupied and used under the license and the works built or constructed for the enjoyment of the rights granted under the license.

Section 1631. In the event that the State, or any city, city and county, municipal water district, irrigation district, lighting district, or political subdivision of the State so desiring to purchase and the owner of the works and property cannot agree upon the purchase price, the price shall be determined in such manner as is now or may hereafter be provided by law for determining the value of property taken in eminent domain proceedings.
